Puget Sound Energy's Commercial Solar Contractor List

Solar Contractor List 8/26/2026

The following contractors are PSE Recommended Energy Professionals (REPs) who focus on commercial properties. REP's share PSE's standard of excellence and superior service, are licenced, bonded and insured, and are either members of the Washington Solar Energy Industries Association (WASEIA) and/or have staff certified by the North American board of Certified Energy Practicioners (NABCEP).
