

The latest news on what's powering our neighborhoods

RECYCLE

YOUR OLD APPLIANCE

HELP FEED

LOCAL FAMILIES

Help feed our neighbors by recycling your old fridge or freezer and donating your \$25 rebate to Food Lifeline. PSE will match it for a total of \$50.*

- Every \$1 provides five meals
- \$50 provides 250 meals
- Your fridge or freezer donation will feed a family of four for two weeks
- Save up to \$200 a year on your energy bill by recycling your old fridge or freezer

PSE electric customers, schedule free pick up and recycling of your old working fridge or freezer by December 15.

*PSE will match each \$25 rebate donation dollar for dollar up to \$5,000.

PSE Foundation installs generators to better prepare our communities during emergencies

Over the past month, Puget Sound Energy Foundation has installed high-capacity generators at four locations that can become emergency shelters or are currently food distribution centers. They're meant to keep people warm and food cold during a crisis.

They've been awarded to: Emergency Food Network of Tacoma and Pierce County; Senior Services of Island County; Upper Kittitas County Senior Center; and the Skagit Food Distribution Center in Sedro-Woolley.

This is the beginning of a \$1 million campaign by PSE Foundation to award generators to deserving organizations over the next five years, with \$200,000 allocated each year. The generators—which are able to power larger facilities—can be used during emergencies, such as an earthquake.

PSE Foundation is a nonprofit organization that operates independently of Puget Sound Energy. None of the Foundation's funds will come from PSE's utility customers.

Support green businesses this holiday season

Green Power Rewards is a discount program that connects customers with dozens of local businesses that are part of PSE's Green Power Program. The coupons are accessed through the free Chinook Book app on Apple or Android mobile devices.

These high-value deals are usually exclusive to green power residential customers, but we're sharing them with all PSE customers during the holiday shopping season (Nov. 1 through Dec. 31). For instructions on how to get the app and to learn more about PSE's Green Power Program, please visit pse.com/gpoffer.

Share the gift of warmth

During the holiday season, consider donating to The Salvation Army Warm Home Fund, which provides short-term, emergency bill payment assistance to PSE customers facing financial difficulties.

To donate to the Warm Home Fund, simply include a little extra in your next PSE bill payment by specifying the donation amount on your payment stub or online payment page. Thank you for caring.
