

# Sammamish-Juanita 115 kV Project

Email your comments to [info@sammjuan115.com](mailto:info@sammjuan115.com)

What are your comments on the sample model outputs?

---

---

---

---

---

---

---

---

What are your comments on the sample model output weightings?

---

---

---

---

---

---

---

---

Are there any old route options PSE and the advisory group should further discuss?

---

---

---

---

---

---

---

---

What else should the advisory group consider?

---

---

---

---

---

---

---

---

---

---

Any additional questions and/or concerns?
