

Business Lighting Tenant Improvement

Earn Business Lighting incentives for tenant improvement projects

Earn substantial incentives through PSE's Business Lighting program for tenant improvement projects that incorporate energy-efficient lighting and control strategies. If you're already planning an energy-efficient tenant improvement lighting project, let us help you pay for it.

What you get

Interior and exterior lighting incentives	
New LED fixtures	\$0.30 per kWh
LED fixtures with automatic controls	\$0.50 per kWh
Interior LLLC fixtures (within daylight zones)	\$100 per fixture bonus
Interior LLLC fixtures (outside of daylight zones)	\$50 per fixture bonus
Existing interior LED fixtures with added LLLC	\$50 per fixture bonus
Interior NLC fixtures	\$50 per fixture bonus
Advanced Exterior Lighting Control (AELC)	\$75 per fixture bonus
Existing exterior LED fixtures with added AELC	\$50 per fixture bonus
Lighting components, CFL-LED lamps, HID-LED lamps	\$0.17 per kWh
TLED lamps when replacing fluorescent lamps	\$4 each
TLED lamps when replacing TLED lamps, minimum savings of 5W per lamp	\$2 each

Business Lighting Tenant Improvement (BLti) lighting projects use the 2015 Washington State Energy Code (2015 WSEC) for calculating the lighting baseline. The total value of your BLti incentive will depend on the first-year energy savings of your project compared to the 2015 WSEC baseline. The designed Lighting Power Allowance (LPA) must be at least 5% more efficient than the stated 2015 WSEC LPA to qualify.

How you qualify

To be eligible for Business Lighting Tenant Improvement:

- Your business site must be within PSE's electric service area.
- Your business site must be for commercial or industrial use.
- The project must be in the design phase, construction phase, or completed within the past six months.
- The project must be reviewed by PSE staff before a grant is guaranteed.

How you apply

For instructions on how to apply for a BLti incentive, use the QR code to visit the Business Lighting Tenant Improvement page.
