

Pioneer Square natural gas construction look-ahead (Week of Aug. 19, 2013)

In conjunction with WSDOT's Alaskan Way Viaduct Replacement Program, Puget Sound Energy's natural gas contractor, Michels Corporation, is relocating PSE's high pressure natural gas pipeline in Pioneer Square. Additionally, InfraSource crews are conducting natural gas remediation activities in the area as tunnel boring progresses. Below is a snapshot of construction activities scheduled for this week:

What to expect

- Michels day crew will continue installing pipe along Occidental Ave between S Washington St and Yesler Way; beginning as early as Aug. 22 work activities will start at the intersection of Main St and Occidental Ave
- Michels night crew will excavate and install pipe on Yesler Way, west of 1st Ave; beginning as early as Aug. 22, trench restoration will begin; the crew currently performing night work along Yesler Way expects to resume normal daytime hours as early as Aug. 26, however, the work schedule may vary based on inclement weather conditions and/or due to unforeseen events.
- InfraSource will continue work at 107 Spring St (8/19-21); other remediation work includes natural gas equipment installation near the intersection of Post Alley and Spring St (8/21-22) as well as near Washington St and 1st Ave (8/24-25)

Work hours*

Day crew

- Between 7 a.m. and 7 p.m. (Mon-Fri)
- Between 9 a.m. and 7 p.m. (Saturdays)

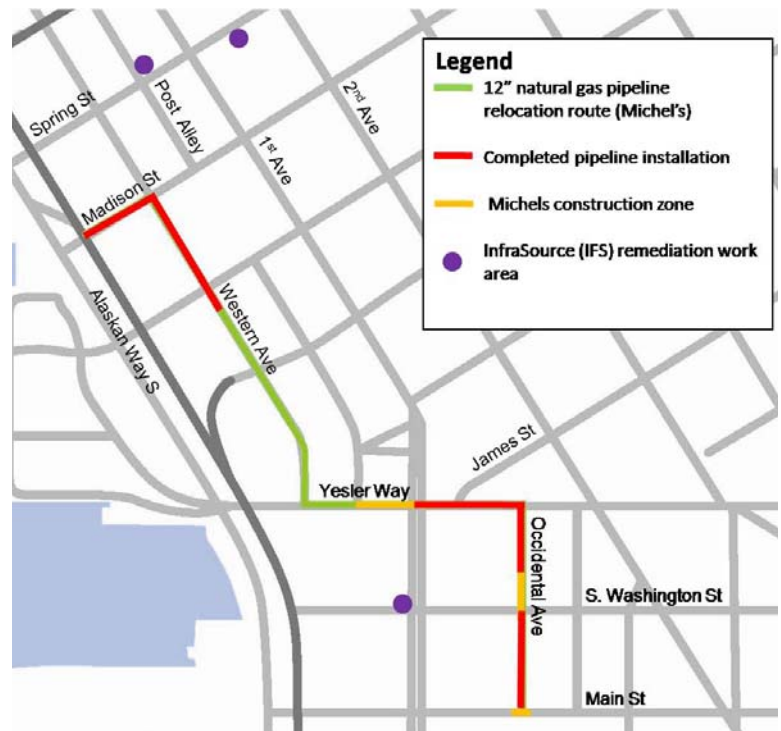

Night crew

- Between 6:30 p.m. and 6 a.m. (nightly)
- Night work began on Aug. 11 and is expected to take place until Aug. 26

*Work hours may vary based on location, local events and permitting requirements.

Traffic impacts

- Expect parking impacts near equipment staging areas and in construction zones
- Please follow all posted signs and flaggers
- Bikers and pedestrians should use caution when traveling in construction zones

Safety is our top priority when it comes to designing, constructing, operating and maintaining the natural gas system serving more than 750,000 PSE customers. Thank you for your patience as we work to safely relocate this vital natural gas pipeline in downtown Seattle.
