Employee Assistance Program (EAP)

This program offers employees confidential services including counseling, financial planning, child and elder care assistance, legal and mediation services at no cost to employees and their household family members.

PSE Retirement Plans

We offer a company paid Cash Balance Retirement Plan and a 401(k) Investment Plan.

- Cash Balance Plan — Participation in this plan is granted automatically to all eligible employees. PSE makes all contributions to this plan — there are no employee contributions. Benefits are determined by 1) annual pay credits and 2) quarterly interest credits. You become vested (that is, earn a right to a benefit from the plan) after three years of service, or when you reach age 65, whichever comes first.
- 401(k) Investment Plan — PSE offers this plan to give you a convenient, tax deferred way to invest in your future. You are eligible to begin participating in the Investment Plan on your first day of employment. New employees will be automatically enrolled to contribute 3 percent of their pay. You may opt out of this automatic enrollment at any time. You may contribute

up to 30 percent of your eligible pay (subject to IRS limitations). If you are contributing less than 6 percent of pay, you will be automatically increased by 1 percent each year until reaching 6 percent (unless you opt out of this feature). PSE will add Matching Contributions equal to \$1 per dollar on the first 6 percent of your pay that you contribute. PSE makes a 1 percent of base pay (plus the straight time portion of overtime pay) contribution to all employees annually at year-end. You are immediately vested in your contributions and employer contributions.

Annual Goals & Incentive Plan

Based on meeting established goals and measurements for the company, employees may be eligible for year-end performance awards.

Tuition Reimbursement

PSE supports continuing education. Eligible employees may be reimbursed up to 100 percent of tuition, not to exceed \$5,250 per calendar year, for authorized undergraduate or graduate studies.

Paid Time Off (PTO)

Beginning with an employee's one-year anniversary date, PTO accrual will be 20 days a year, accrued on a monthly basis. PSE provides paid time off to accommodate employees' vacation, illnesses, and other personal needs. Eligible employees receive 10 PTO days on the first day of the month after six consecutive months of employment. (The 10 days are unearned, and are earned during the next six months of employment.) Beginning with an employee's one-year anniversary date, PTO accrual will be on a monthly basis. As an employee gains more years of service, the monthly accrual increases. Please see the UA Collective Bargaining Agreement for the most current accrual schedule, allocation rules and usage guidelines.

Holidays

Eligible employees qualify for 11 paid holidays each calendar year. These include nine "fixed" holidays and two "floating" holidays.

- New Year's Day
- Martin Luther King Day
- President's Day
- Memorial Day
- Independence Day
