

# Your carbon footprint is showing.

## But, YOU can shrink it!

Take charge by joining Puget Sound Energy's Green Power Program.

When you join the Green Power Program, PSE will purchase wind, biomass and solar renewable energy to cover up to 100 percent of your electricity use.

Every year, the average green power household reduces the same amount of CO<sub>2</sub> emissions as taking a car off the road. **Join now and start shrinking your footprint!**
