(Three phase, delivery voltage of 50,000 volts or higher)
(Continued)

ANNUAL MINIMUM CHARGE:

The sum of the monthly bills in any period of twelve (12) consecutive months shall not be less than \$24.00 per kVa of the maximum Billing Demand established plus 4.7873¢ per kWh consumed during the period.

(l)(l)

INTERRUPTION OF SERVICE:

1. Times and Durations of Interruptions: Electric Service shall be interrupted and suspended by Customer, as directed by the Company, between the hours of 8:00 a.m. and 12:00 noon and between 5:00 p.m. and 8:00 p.m. Monday through Saturday. Subject to paragraph 3 below, the duration of such interruption and suspension ("Suspension Period") shall be specified in the Company's notice to the Customer to initiate and maintain such interruption and suspension.
2. Notice Prior to Suspension Period: The Company shall provide the Customer reasonable advance notice of a Suspension Period; provided, however Company will provide Customer at least 14 hours advanced notice of a Suspension Period when such service interruption is for the Company to economically manage its energy supplies and resources. When Company notifies Customer of a service interruption for the Company to economically manage its energy supplies and resources, Company will provide customer with a non-binding estimate of the penalty per kWh to be assessed if Customer fails to interrupt and suspend service..
3. Limitations on Service Interruptions: Customer will not be required to interrupt and suspend Electric Service under this Schedule for more than 210 hours during any twelve-month period commencing on October 1 of each year; provided, however, no Customer will be required to interrupt and suspend Electric Service pursuant to this Schedule for more than 182 hours during any such twelve-month period for the sole purpose of Company management of energy supplies and resources for economic purposes. This maximum of 182 hours of interruption for Company management of energy supplies and resources for economic purposes shall also include hours used to test Customer's preparedness to interrupt and suspend service; provided, however, the Company will not institute any more than two such tests during the twelve month period.

SCHEDULE 46
HIGH VOLTAGE INTERRUPTIBLE SERVICE
(Three phase, delivery voltage of 50,000 volts or higher)
(Continued)

4. General Rules and Provisions Relating to Continuity of Service: Notwithstanding the foregoing limitations, interruption and suspension of Electric Service pursuant to this Schedule shall be in addition to interruptions that, and in the Company's sole discretion may be exercised prior to any rights of interruption, suspension or curtailment pursuant to Schedule 80 of this tariff.

PENALTIES FOR FAILURE TO INTERRUPT

Customer is required to interrupt and suspend Electric Service during a Suspension Period. If Customer fails to interrupt and suspend Electric Service during a Suspension Period, then Customer will incur a penalty for each kWh consumed by Customer during such Suspension Period. Such penalty shall be an amount that is equal to 0.56 cents per kWh consumed plus the higher of:

1. 1.25 multiplied by the higher of the firm or non-firm Mid-Columbia price indexes reported by Dow Jones for each kWh consumed during such Suspension Period; or
2. 1.25 multiplied by the Company's highest average incremental cost of power (corresponding to the amount of load subject to this penalty for failure to interrupt) that was purchased or produced by the Company during such Suspension Period for each kWh consumed during such Suspension Period.

NO RIGHT CONFERRED BY PAYMENT OF PENALTY:

Assessment of a penalty for failure to interrupt and suspend, or payment thereof by a Customer, shall not entitle such Customer to Electric Service for any Suspension Period. Notwithstanding the assessment of a penalty, or payment thereof by a Customer, the Company may, at its option, physically interrupt and suspend Electric Service, in whole or in part, for any Suspension Period.

GENERAL RULES AND PROVISIONS:

1. Prior to taking service under this Schedule, Customer must sign an interruptible service disclosure statement, as provided by the Company, stating Customer's understanding of the terms, conditions, and number of service interruptions that may be implemented by the Company under this Schedule.
2. Service under this schedule is subject to the General Rules and Provisions contained in this tariff.
