PUGET SOUND ENERGY  
SCHEDULE NO. 16  
General Gas Lighting and Street Lighting Service (Optional)

(C)

Section 1: Availability; Closed to New Accounts

1. Available throughout territory served for:
  - a. General gas lighting with combining of lights for billing purposes limited to those on contiguous property, except lights of an entrance way may be combined for billing purposes provided they are separated by not more than one public entrance roadway; or
  - b. The lighting of streets, avenues, alleys, and other public thoroughfares with the use of gas lights and billed to a single municipal corporation with combining of lights for billing purposes limited to its territorial boundary.
2. Service under this schedule is provided on an annual basis.
3. The company will not extend a main for this purpose.
4. The availability of this schedule is restricted to those locations and entities served as of December 31, 1973.

Section 2: General Rules and Regulations

Service under this schedule is subject to the rules and regulations contained in the company's tariff.

Section 3: Nature of Service

The gas supplied for this service will be unmetered, but the amount used will be limited by orifice(s) as stated in Section 4. An identification number will be attached to each fixture.
