

**PUGET SOUND ENERGY**

*The Energy To Do Great Things*

## **Construction Activity Planned for the Week of March 15**

*PSE may change or reschedule construction activities without notice.*

### **Island County**

In Clinton, electric crews will replace a pole and a transformer near Swede Hill Road and Blakely Avenue.

In Coupeville, electric crews will replace poles near the corner of Northeast 9<sup>th</sup> and Northeast Kinney streets.

In Langley, electric crews will install regulators along Cultus Bay Road, just east of Bailey Road.

In Oak Harbor, electric crews will relocate poles at the corner of North Oak Harbor Street and Northeast 7<sup>th</sup> Avenue, remove poles along state Route 20, just east of North Monkey Hill Road, and install a primary line extension at the 1400 block of West Fort Nugent Road. Tree crews will clear vegetation away from overhead power lines along Heller and Crosby roads.

### **Jefferson County**

In Quilcene, electric crews will replace a regulator at the 800 block of Leland Valley Road West.

### **Vashon Island**

On Vashon, electric crews will replace poles along Southwest 232<sup>nd</sup> Street, 115<sup>th</sup> Avenue Southwest, and Southwest 238<sup>th</sup> Street. Tree crews will clear vegetation away from overhead power lines along Manzanita Beach Road Southwest.
