| SOLAR INSTALLATION(S)   |                        |  |
|---|------------------------|--|
| Will there be solar installed at this location?                               | Yes, provide kW Output | No   |
| If Yes, please provide your Solar Net Metering Application Number (NEM-XXXX): |                        | If you do not have a Net Metering application number, email <a href="mailto:Netmetering@pse.com">Netmetering@pse.com</a> to start the process. |

| STREET LIGHTING SERVICES                             |                           |                  |
|--|---------------------------|------------------|
| WILL THERE BE STREET LIGHTING WITHIN THE DEVELOPMENT | YES                       | NO               |
| IF YES, THE STREET LIGHTING SYSTEM WILL BE:          | PRIVATELY BUILT AND OWNED | INSTALLED BY PSE |

This application is official notice to Puget Sound Energy (PSE) to begin all the needed steps to provide you with new electric and gas service. If any of the above information is revised you may be responsible for additional charges related to engineering, construction, or other aspects of providing service. If there is a lack of progress or inactivity on your project and this project is canceled either by you or by PSE, you will be responsible for paying PSE actual costs incurred up to the time of cancellation.
