This application is official notice to Puget Sound Energy (PSE) to begin all the needed steps to provide you with new electric service. If any of the above information is revised you may be responsible for additional charges related to engineering, construction, or other aspects of providing service. If there is a lack of progress or inactivity on your project and this project is canceled either by you or by PSE, you will be responsible for paying PSE actual costs incurred up to the time of cancellation.

SIGNATURE (TYPED SIGNATURE IS ACCEPTABLE)	DATE
---	------

I understand that completing this box constitutes a legal and binding signature confirming that I acknowledge and agree to the above Terms.

Important Information: An application is not considered complete until we receive complete CAD and civil drawings. These can be attached to the application email and sent to plat@pse.com. If your attachment is larger than 14MB then PSE will provide a link to a file share following the submission of this application.
