Local Engagement

Each year your local PSE team reaches out to residential, commercial and industrial customers as well as government agencies. The goal of this outreach is to exchange information on major projects, ways to conserve energy and renewable energy options. We also partner with organizations that strengthen the fabric of our communities such as downtown associations, chambers of commerce, non-profits and foodbanks.

2020 highlights include an energy efficiency project with Central Kitsap School District that resulted in 1.4 million kWh savings and a grant of \$57,000.

Events

We are proud to participate in local events such our Team PSE employees joining the Virtual Bainbridge Youth Services Fun Run in July and the Navy NW Virtual Energy Drive-Thru. In addition, we make dozens of presentations to organizations ranging from staff meetings to city councils to home owner associations.

Community Investments and Powerful Partnerships
