Local Engagement

Each year your local PSE team reaches out to residential, commercial and industrial customers as well as government agencies. The goal of this outreach is to exchange information on major projects, ways to conserve energy and renewable energy options. We also partner with organizations that strengthen the fabric of our communities such as downtown associations, chambers of commerce, non-profits and foodbanks.

2020 highlights for this county include the Tenino Microgrid Project, Lacey EV Charging Station, and the Green Power Grant Solar Installation with Homes First,

Events

We are proud to participate in local events such as Swim into Summer, Relay for Life of Thurston County, and Building through Play when they are held. In addition, we make dozens of presentations to organizations ranging from staff meetings to city councils to home owner associations.

Community Investments and Powerful Partnerships

PSE and the PSE Foundation invested over **\$346,000** to help this county respond and recover from the COVID-19 pandemic. The foundation also donated \$200,000 to the Washington Food Fund and \$100,000 to All In Washington.

Our 2020 Powerful Partners, Child Care Action Council and the Nisqually River Foundation received \$20,000 in total.
