Local Engagement

Each year your local PSE team reaches out to residential, commercial and industrial customers as well as government agencies. The goal of this outreach is to exchange information on major projects, ways to conserve energy and renewable energy options. We also partner with organizations that strengthen the fabric of our communities such as downtown associations, chambers of commerce, non-profits and foodbanks.

2020 highlights for this county include: two tree wire projects in Island County - Maxwellton Beach and Fox Spit. PSE also relocated a pole for Coupeville's Main Street improvement project.

Events

We participated in Sound Waters University's online Earth Month activities. These were coordinated by the Goosefoot Community Fund and the Neighbors Feeding Neighbors resource fair organized by DSHS in Oak Harbor. In addition, we make dozens of presentations to organizations ranging from staff meetings to city councils to home owner associations.

Community Investments and Powerful Partnerships

PSE and the PSE Foundation invested over **\$101,000** to help this county respond and recover from the COVID-19 pandemic. The foundation also donated \$200,000 to the Washington Food Fund and \$100,000 to All In Washington.

Our 2020 Powerful Partners, Island Senior Resources and Whidbey-Camano Land Trust received \$10,000 in total.
