## Local engagement

Each year your local PSE community teams reach out to residential, commercial and industrial customers as well as government agencies. The goal of this outreach is to exchange information on major projects, ways to conserve energy and renewable energy options. We also partner with organizations that strengthen the fabric of our communities such as downtown associations, chambers of commerce, non-profits and foodbanks. In 2022, highlights included bringing energy efficiency upgrades to Goosefoot Community Fund and Coupeville Historic Waterfront businesses. We also continued to partner with Whidbey Community Foundation to support their ongoing work to enhance nonprofits across the Island.

## Events

We are proud to participate in local events such as Island County Habitat for Humanity's Upcycle It contest, and The Oak Harbor Senior Center's Resource Fair. We make presentations to organizations ranging from staff meetings to city councils to homeowner associations.

## Community investments and Powerful Partnerships

Puget Sound Energy and PSE Foundation gave over \$3.2M to community-based organizations in 2022. These contributions help provide essential needs and services to PSE's customers and communities at large. PSE and PSEF invested over **\$75,000** in Island County. Our 2022 Powerful Partner was Habitat for Humanity of Island County and they received \$10,000.
