Local engagement

Each year your local PSE community teams reach out to residential, commercial and industrial customers as well as government agencies. The goal of this outreach is to exchange information on major projects, ways to conserve energy and renewable energy options. We also partner with organizations that strengthen the fabric of our communities such as downtown associations, chambers of commerce, non-profits and foodbanks.

In 2022, highlights include a \$16,000 grant that we provided to the Issaquah salmon hatchery, and a \$25,000 grant that we provided to Healthpoint.

Events

We are proud to participate in local events such as Issaquah Salmon Days and the Woodinville Festival. In addition, we make dozens of presentations to organizations ranging from staff meetings, city councils, and home owner associations.

Community investments and Powerful Partnerships

Puget Sound Energy and PSE Foundation gave over \$3.2M to community-based organizations in 2022. These contributions help provide essential needs and services to PSE's customers and communities at large. PSE and PSEF invested over **\$1.3 million** in King County.

Our 2022 Powerful Partners were Dignity for Divas and Forterra. They received \$35,500 in total.

TOGETHER, we're creating a clean energy future for all.

PSE is committed to creating a clean energy future for customers and neighbors across the region. Thank you for caring for your home and community by building better, using less energy and maximizing our programs and products every day. We're doing our part by investing in innovative solutions to reduce carbon emissions so that we can continue to provide reliable, accessible, affordable and cleaner energy. Thanks for doing your part!
