Local engagement

Each year your local PSE community teams reach out to residential, commercial and industrial customers as well as government agencies. The goal of this outreach is to exchange information on major projects, ways to conserve energy and renewable energy options. We also partner with organizations that strengthen the fabric of our communities such as downtown associations, chambers of commerce, non-profits and foodbanks. In 2022, highlights for this county include Kitsap Community Resources and Suquamish Tribe, each received a Green Power Solar Grant.

Events

We are proud to participate in local events such as the Kitsap Pride Festival, the Grand Ole Fourth on Bainbridge Island, and numerous presentations to organizations ranging from staff meetings, city councils and home owner associations.
