## Local engagement

Each year your local PSE community teams reach out to residential, commercial and industrial customers as well as government agencies. The goal of this outreach is to exchange information on major projects, ways to conserve energy and renewable energy options. We also partner with organizations that strengthen the fabric of our communities such as downtown associations, chambers of commerce, non-profits and foodbanks. In 2022, highlights include partnering with the City of Lacey for Energy Efficiency needs, as well as completing a Small Business Direct Install with businesses located in Lacey.

## Events

We are proud to participate in local events including the Olympia Home and Garden Show and Oly on Ice. In addition, we make dozens of presentations to organizations ranging from staff meetings to city councils to home owner associations.

## Community investments

## and Powerful Partnerships

Puget Sound Energy and PSE Foundation gave over \$3.2M to community-based organizations in 2022. These contributions help provide essential needs and services to PSE's customers and communities at large. PSE and PSEF invested over **\$249,000** in Thurston County. Our 2022 Powerful Partner was Homes First. They received a total of \$12,500.
