## Local engagement

Your local PSE outreach team works with residential, commercial and industrial customers as well as government agencies and other community partners to connect them with PSE programs to save energy and reduce carbon emissions.

In 2021, highlights include three individual Green Power Solar Grant arrays totaling over \$200,000 donated to the Lummi Nation School, Cloud Mountain Farm Center and the Institute for Washington's Future.

## Events

We are proud to participate in local events including the unveiling of the newest EV charging station at Community Food Co Op. In addition, we make dozens of presentations to organizations ranging from staff meetings to city councils to home owner associations.

## Renewables involvement

**TOGETHER**, we're creating a clean energy future for all.

PSE is committed to creating a clean energy future for customers and neighbors across the region. Thank you for caring for your home and community by building better, using less energy and maximizing our programs and products every day. We're doing our part by investing in innovative solutions to reduce carbon emissions so that we can continue to provide safe, clean and reliable energy. Thanks for doing your part!

## Save energy and money on your bill

PSE offers rebates to save on energy efficient upgrades to your home. Learn more at [pse.com/rebates](https://pse.com/rebates).

We help businesses with energy efficiency incentives, and custom grants and rebates. Improve your space from the ground up beginning with an energy assessment.

Visit [pse.com/mybusiness](https://pse.com/mybusiness) to begin your journey!

## Lighten your carbon footprint

Want to reduce your environmental impact and support the growth of renewable energy in the Pacific Northwest?

We offer a variety of flexible renewable energy programs to fit your goals and lifestyle.

Find the program for you at [pse.com/renewables](https://pse.com/renewables)

## Discover the benefits of electric vehicles

Switching to an electric vehicle can save you thousands in fuel and maintenance costs while reducing your transportation emissions.

We can help you compare models, learn about charging and more.
