## Local engagement

Each year your local PSE community teams reach out to residential, commercial and industrial customers as well as government agencies. The goal of this outreach is to exchange information on major projects, ways to conserve energy and renewable energy options. We also partner with organizations that strengthen the fabric of our communities such as downtown associations, chambers of commerce, non-profits and foodbanks. 2022 highlights include awarding four Green Power Solar Grant PV arrays totaling over 136-kilowatts in size to Whatcom Center for Early Learning, Ferndale Food Bank, Lydia Place and the Nooksack Indian Tribe.

## Events

We are proud to participate in local events including Bellingham's All in 4 Climate Action Week, Goodwill's Refugee Jobs and Resource Fair and NW WA Fair. In addition, we make dozens of presentations to organizations ranging from staff meetings to city councils to homeowner associations.
