

## About Grand HVAC Leasing

Grand HVAC Leasing (GHL) is an industry leader in delivering bundled water heating, cooling, heating and energy solutions to residential and business customers as well as builders, businesses and multifamily housing providers across North America. GHL provides equipment upgrades, replacements, and energy efficiency options, while bundling worry-free 100% protection against service parts and labor costs.

				
<p><b>FOUNDED</b> Grand HVAC Leasing (GHL) was founded in 2012 by three entrepreneurial partners</p>	<p><b>EXPANSION</b> GHL has seen exponential growth across North America since 2012, in residential, commercial, multi-family, and builder markets</p>	<p><b>EXPERIENCE</b> GHL has experience and expertise in continuing service for utility customers, transitioning customers from Liberty Utilities' rental program in New Hampshire in 2018 to GHL</p>	<p><b>SUPPORT</b> GHL is backed by a large utility with over \$34 billion in assets across 2.5 million customers throughout North America</p>	<p><b>GROWTH</b> GHL continues to expand across North America, with operations in WA, NH, MA, NY, KY, CA, TX, FL, NC, and more!</p>

GHL partners with local contractors, utilities, and manufacturers to deliver the highest quality service to our customers. In Washington, GHL recently partnered with **Fast Water Heaters** to bring the customers of WA the same great service they received under the Puget Sound Energy rental program.

GHL has business partnerships across the United States to provide service to customers, including:
