Have you partnered with or received funding from PSE in the past?
If so, in what capacity?

I reviewed the PSE Powerful Partnerships supporting documents and verify that if selected as a partner, my organization or agency can uphold our part of the partnership agreement including all expectations (six engagement opportunities and monthly communications pieces) within the year-long partnership period through 2024 calendar year.

Briefly tell us about your organization. This could include history, mission and vision, as well as any strategic goals you may currently be pursuing.

How will your organization apply this funding? Describe a specific project, program or initiative.

Tell us about the communication channels your organization uses to reach your audience?

Describe your target community and how your organization reaches them, including community outreach tactics and activities.

In order to decrease your administrative time with the grant application and planning with PSE throughout the year, we've created a menu of engagement opportunities to choose from.

We encourage creativity and alignment with your mission, please use the blank boxes to include engagement ideas that work for your organization.

- Participate in a PSE energy efficiency assessment.
- Invite PSE to present at an employee/volunteer workshop on energy efficiency/sustainability.
- Host community utility webinar on ways to reduce energy usage in partnership with PSE.
- Distribute relevant PSE program marketing material to your membership/client base where most beneficial.
- Invite PSE to present to your organization's board or committees.
- Invite PSE to table at a community focused event that your organization is hosting.
- (TBD) Attend the PSE energy sustainability education and networking summit.
- Partner with PSE for a community related activity as available during Earth Month (April).
- Invite PSE to host an employee training lunch and learn on assistance programs
