

# You're invited to join the conversation

Mount Baker — Whatcom County

Puget Sound Energy is thrilled to share plans for an innovative battery storage project located at the Glacier substation (9967 Vaughn Ave). Please join PSE representatives at the Chair 9 Restaurant on Tuesday, Aug. 26 to discuss this exciting energy project and learn more about the battery technology benefiting your community.

**When:** Tuesday, August 26, 7-8 p.m.

**Where:** Chair 9 Restaurant, 10459 Mt Baker Hwy  
Light refreshments will be provided.
