| A2.           | West Sam - End Juanita Sub | 60 Av/40 Opp |       | • Many open areas are along 132nd Ave NE  
• Runs along I-405/Totem Lake | • Wires are on both sides of 132nd Ave NE  
• More homes are on the front of this route than on 124th Ave NE  
• Lots of trees to trim | No |
| C2.           | West Sam - End 124th St | 60 Av/40 Opp |       | • Uses 124th Ave NE, a main arterial and wider street  
• Avoids more residential area than C1  
• Avoids Totem Lake Mall  
• After crossing 405, stays commercial | • Crosses residential  
• Goes in front of Mark Twain Elementary  
• Parallels Seattle City Light lines | No |
| D1.           | NE Sam - End Juanita Sub | 70 Av/30 Opp |       | • Impacts views along Willows Rd. less  
• Stays out of residential  
• Going behind properties may be less challenging | • Cuts across wooded slope  
• Requires acquisition of easements  
• Complicated  
• Sensitivity to cutting trees  
• Totem Lake Mall | No |
| D2.           | NE Sam - End Juanita Sub | 60 Av/40 Opp |       | • Avoids residential | • Impacts Willows view corridor  
• Totem Lake Mall | No |
| D3.           | NE Sam - End Juanita Sub | 50 Av/50 Opp |       | • Might be a good combination to try to avoid issues  
• Avoids view corridor impacts | • Cuts across steep slopes and wooded area  
• Could have over-use ATV impacts  
• Impacts Totem Lake Mall  
• Nature, wildlife impacts  
• Additional open space impacts | No |
| F1.           | NE Sam - End 124th St | 70 Av/30 Opp |       | • Least residential impacts  
• Ending along commercial and wide thoroughfare - avoids substation  
• Going behind property may be less challenging  
• Avoids Totem Lake Mall | • Crosses Totem Lake Mall  
• Cuts through slope and trees  
• Private easements | No |
