COMMUNITY MEETINGS ON PSE ELECTRIC SYSTEM UPGRADE NEW ELECTRIC TRANSMISSION LINE IN KIRKLAND AND REDMOND

Puget Sound Energy invites you to attend one of two community meetings to discuss potential routes for our new transmission line connecting our Juanita and Sammamish substations. Two meeting dates and locations are offered for your convenience. The same project information will be shared at both meetings.

Refreshments and information provided Wednesday, August 13, 2008 5:30 - 7:30 p.m. Kingsgate Library 12315 NE 143rd St., Kirkland

Tuesday, August 19, 2008 5:30 - 7:30 p.m. Lake Washington Technical College 11605 132nd Ave. NE, Kirkland West building, room #401
