

# Gas space heat rebates

Thank you for your commitment to energy efficiency

## If you have questions about the rebate application, you can:

- Contact an Energy Advisor at 1-800-562-1482 Monday through Friday 8 a.m. to 5 p.m.
- Review rebates qualifications by category at [pse.com/rebates](https://pse.com/rebates).

## Furnace equipment qualifications

- You must install an AHRI or ENERGY STAR® certified natural gas furnace with 95% annual fuel utilization efficiency (AFUE) rating or better on or after January 1, 2024.
- Any natural gas furnace installed with a new or existing heat pump is not eligible for a rebate.

## General qualifications

- You must be a current PSE single-family<sup>1</sup> residential natural gas customer. Single-family new construction, multi-family (five or more attached units) and commercial accounts are not eligible.
- Rebate application must be submitted within 30 days of purchase.
- Rebates only available on new, qualifying equipment.
- Equipment installed in manufactured homes must apply on a different rebate application. Please visit [pse.com/rebates/manufactured-homes](https://pse.com/rebates/manufactured-homes).
- Equipment that is replaced under warranty will not be eligible for second rebate.
- One rebate per qualified single-family residence.
- Cannot be combined with any other rebates except where noted.
- Must install to comply with all federal, state and local code requirements.
- Rebate cannot exceed the pre-tax purchase price of any rebated product.

\* PSE's Efficiency Boost program provides increased rebates for income-qualified customers. To learn more and see if you qualify, call an Energy Advisor at 1-800-562-1482 or visit [pse.com/boost](https://pse.com/boost). If qualified, submit your [income qualification form](#) with this form to receive your higher rebate.

<sup>1</sup> Single-family homes are defined as: A) homes built primarily at the location where the home is inhabited; B) standalone homes, or attached housing with four units or less. Additionally, for the purpose of this program, modular homes fall under this classification. Note that most homes that are not manufactured homes will fall under this classification.

## Attach a copy of your paid installation invoice and purchase receipt for your installed product(s)

It must include: an installation date, installation address, brand, model number(s) of all rebated equipment (including the heat pump, air handler and/or coil model number on the invoice), and amount paid.

## Sign the terms and conditions

I acknowledge that the product(s) described above have been purchased and installed at the location indicated. I understand that PSE provides rebate incentives for measures that are designed to save energy but I acknowledge that estimated energy savings are not guaranteed and I understand that PSE has made no express warranties or representations with regard to these products or their installation. I acknowledge that I am responsible for meeting applicable code requirements, determining the adequacy of installation, and paying all amounts owed to contractors/suppliers. Further, I understand that this is a tariffed service and is subject to change or termination without prior notice. PSE reserves the right to inspect any installation prior to rebate approval and/or after rebate payment and I agree to provide PSE reasonable access for such purposes. I authorize PSE to release my customer account information, including my billing and energy usage information, to an independent, third-party evaluator solely for the purposes of evaluating this rebate program, confirming energy savings and for other quality assurance purposes. The disclosure of your private information will comply with PSE's privacy policy and state regulation.
