

Commercial ductless heat pump rebate

Thank you for your commitment to energy efficiency

Confirm you're qualified

You can:

- 1) Contact an Energy Advisor at **1-800-562-1482** Monday through Friday 8 a.m. to 5 p.m.
- 2) Review rebates qualifications by category at pse.com/rebates/business-incentives

Receive a \$500 per ton rebate from PSE when you replace your current electric resistance heating with an AHRI Certified® ductless heat pump.

General qualifications

- You must be a current PSE commercial electric customer.
- You must be replacing existing electric resistance heating.
- Residential metered customers are not eligible
- Your rebate application must be submitted within 60 days of equipment installation

Equipment requirement

- You must install an AHRI Certified ductless heat pump with a minimum HSPF of 8.2

Sign the terms and conditions

I acknowledge that the product(s) described above have been purchased and installed at the location indicated. I understand that PSE provides rebate incentives for measures that are designed to save energy but I acknowledge that estimated energy savings are not guaranteed and I understand that PSE has made no express warranties or representations with regard to these products or their installation. I acknowledge that I am responsible for meeting applicable code requirements, determining the adequacy of installation, and paying all amounts owed to contractors/suppliers. Further, I understand that this is a tariffed service and is subject to change or termination without prior notice. PSE reserves the right to inspect any installation prior to rebate approval and/or after rebate payment and I agree to provide PSE reasonable access for such purposes. I authorize PSE to release my customer account information, including my billing and energy usage information, to an independent, third-party evaluator solely for the purposes of evaluating this rebate program, confirming energy savings and for other quality assurance purposes. The disclosure of your private information will comply with PSE's privacy policy and state regulation.
