

# Business Lighting Incentive Program

## Earn incentives on energy-efficient lighting

Lighting can amount to more than 40% of your business' total energy usage, which is why energy-efficient lighting yields long-term savings. No matter your business' size, our Business Lighting Incentive Program has flexible options to help you affordably upgrade your lighting.

## What you get

### Interior and exterior lighting incentives

New LED fixtures	\$0.25 per kWh
LED fixtures with automatic controls	\$0.45 per kWh
Interior LLLC fixtures (within daylight zones)	\$75 per fixture bonus
Interior LLLC fixtures (outside of daylight zones)	\$50 per fixture bonus
Interior NLC fixtures	\$50 per fixture bonus
Advanced Exterior Lighting Control (AELC)	\$75 per fixture bonus
Existing exterior LED fixtures with added AELC	\$50 per fixture bonus
Lighting components, CFL-LED lamps, HID-LED lamps	\$0.17 per kWh
TLED lamps when replacing fluorescent lamps	\$4 each
TLED lamps when replacing TLED lamps, minimum savings of 5W per lamp	\$2 each

Use the QR code below for more details about our Business Lighting incentives.

## How you qualify

To be eligible for our Business Lighting incentives:

- Your business site must be within PSE's electric service area.
- You must be a current PSE business electric customer.
- You must complete the current Business Lighting application.
- You must sign and return the grant agreement AND receive pre-approval from PSE before any work begins on the project.
- A complete list of qualifications can be found on the "Terms and Conditions" tab of the Business Lighting application.

## How you apply

Use the QR code below for instructions on how to apply. If you have questions, get in touch with us at [businesslighting@pse.com](mailto:businesslighting@pse.com).

Energy-efficiency programs like our Business Lighting Incentive Program support PSE's vision to reduce carbon emissions and create a cleaner energy future for all. Learn more at [pse.com/TOGETHER](http://pse.com/TOGETHER).
