

Electric hybrid water heater rebate

We've partnered with other local utilities to reduce the price of qualifying high-efficiency electric hybrid water heaters (also referred to as electric hybrid heat pump water heaters) by \$500 with an instant coupon at these participating The Home Depot and Lowe's stores. Just request a coupon at pse.com/coupon at home or on your smartphone at the store. You will be issued a coupon to use at the register. (See price list on page 3 for product examples.) Additional restrictions apply.

Please visit pse.com/instant for more information. Prices listed are for reference only. Additional discounts may be applied by the retailer. Please consult your local retailer for up-to-date pricing and product availability.
