Commercial insulation rebate

Thank you for your commitment to energy efficiency

General qualifications

- Applies only to existing commercial buildings. Residential, multifamily and new construction are not eligible.
- Your rebate application is submitted within 60 days of equipment installation.
- Must be installed by a contractor.

Insulation requirements

- You must install wall insulation that meets an R-value of 14 or R-value of 18 and above.
- Attic/roof insulation that has an R-value of 26 or R-value of 46 and above.
- See table for reference and incentive amounts.

INSULATION TYPE	REBATE VALUE
Attic/roof insulation (≤R0 to R26)*	$1.80 per sq. ft.
Attic/roof insulation (≤R0 to R48)*	$1.80 per sq. ft.
Wall insulation (≤R0 to R14)*	$0.80 per sq. ft.
Wall insulation (≤R0 to R18)*	$1.10 per sq. ft.

* The existing insulation value is between R0 and R5

In order to qualify for the rebate, PSE requires a copy of the **payee's** completed W-9 tax identification form and a copy of the purchase receipt or final invoice for the installed product. It must include: brand and model number(s) of all rebated equipment, any instant rebates, and total amount paid.

INSULATION INFORMATION	
DATE OF INSTALLATION	PROOF OF PRE-EXISTING INSULATION AND POST-INSTALL INSULATION INCLUDED? ☐ YES ☐ NO

(Insulation rebates apply to retrofits only)

If you currently have greater than the minimum listed R-Value, you do not qualify for the rebate.

Wall insulation

For an incentive of $0.80 per square foot, existing insulation must be R5 or less and your new R-Value must be at least R14 and up to R17.
For an incentive of $1.10 per square foot, existing insulation must be R5 or less and your new R-Value must be at least R18 or greater.

OLD R-VALUE	NEW R-VALUE	SQUARE FOOTAGE INSULATED

Attic/roof insulation

For an incentive of $1.80 per square foot, existing insulation must be R5 or less and your new R-Value must be at least R26 and up to R47.
For an incentive of $1.80 per square foot, existing insulation must be R5 or less and your new R-Value must be at least R48 or greater.

OLD R-VALUE	NEW R-VALUE	SQUARE FOOTAGE INSULATED

1. Attach a copy of your itemized final invoice, a completed W-9, and photo(s) of your pre-existing and post-install insulation.

Invoice must include the R-value of all the new insulation installed, total square footage of insulation installed, and price paid.

2. Sign the terms and conditions

I acknowledge that the product(s) described above have been purchased and installed at the location indicated. I understand that PSE provides rebate incentives for measures that are designed to save energy but I acknowledge that estimated energy savings are not guaranteed and I understand that PSE has made no express warranties or representations with regard to these products or their installation. I acknowledge that I am responsible for meeting applicable code requirements, determining the adequacy of installation, and paying all amounts owed to contractors/suppliers. Further, I understand that this is a tariffed service and is subject to change or termination without prior notice. PSE reserves the right to inspect any installation prior to rebate approval and/or after rebate payment and I agree to provide PSE reasonable access for such purposes. I authorize PSE to release my customer account information, including my billing and energy usage information, to an independent, third-party evaluator solely for the purposes of evaluating this rebate program, confirming energy savings and for other quality assurance purposes. The disclosure of your private information will comply with PSE's privacy policy and state regulation.

3. Submit your complete application and invoice or receipt

Email: CommercialRebates@PSE.com

Mail: Puget Sound Energy/Commercial Rebates, P.O. Box 97034 BOT-02O, Bellevue, WA 98009-9734

For additional assistance:

1. Review rebates qualifications by category at PSE.com/Rebates/Business-Incentives.
2. Contact an Energy Advisor at 1-800-562-1482 Monday through Friday 8 a.m. to 5 p.m.

   Total value of insulation rebate will depend on how much new insulation has been installed per square foot of your building.

Additional requirements

- Rebates only available on new, qualifying products.
- Installation must comply with all federal, state and local code requirements.
- Products that are replaced under warranty will not be eligible for second rebate.
- Insulation must be installed within a conditioned space at the time of installation. Garages, unconditioned basements, etc., are not eligible.
- Rebate cannot exceed the total cost paid by the customer, including taxes, for any rebated product.
