

Electric water heat rebates

Thank you for your commitment to energy efficiency

If you have questions about the rebate application, you can:

- Contact an Energy Advisor at 1-800-562-1482 Monday through Friday 8 a.m. to 5 p.m.
- Review rebates qualifications by category at pse.com/rebates.

You must be a current PSE single-family¹ residential electric customer. Post installation, the equipment must consume PSE electricity or natural gas as the heating fuel for hot water. Single-family new construction, multifamily (five or more attached units) and commercial accounts are not eligible.

Rebate requirements

- Rebate application must be submitted within 30 days of installation.
- If an instant rebate is offered through a contractor, in the total amount for which you are qualified, then you cannot be eligible for an additional rebate.
- One rebate per qualified single-family residence.
- Cannot be combined with any other rebates except where noted.
- Rebate cannot exceed the pre-tax purchase price of any rebated product.

Equipment requirements

- Rebates only available on new, qualifying equipment.
- Must install to comply with all federal, state and local code requirements.
- Equipment that is replaced under warranty will not be eligible for a second rebate.
- Please review specific equipment qualifications and qualified product lists at pse.com/waterheating.

¹ Single-family homes are defined as: A) homes built primarily at the location where the home is inhabited; B) standalone homes, or attached housing with four units or less. Additionally, for the purpose of this program, modular homes fall under this classification. Note that most homes that are not manufactured homes will fall under this classification.

Attach a copy of your final paid installation invoice and receipt

Your installation invoice and receipt must include an installation date, brand and model number(s) of all rebated equipment.
