Subject line should read
"PSE EV home charger rebate
application – [Customer Name]"

Increased Empower Mobility incentives for customers with qualifying incomes

Increased rebates are available for customers with qualifying incomes. Please view the Income Qualification section on the last page of this form to determine if you meet monthly household income requirements.

- If qualified, select the increased Empower Mobility rebate amounts in the form below.
- Then, fully complete the Income Qualification section on the last page of this form.
- If your qualifying EV home charger was professionally installed, you may qualify for up to \$2,000 in additional installation rebates. If so, the following additional requirements apply:
 - Qualifying EV home charger must be installed in a residential property within PSE's electric service area.
 - A copy, photo, or scan of your installation receipt reflecting installation date, description of the work, price, and proof of payment must be submitted along with this rebate application.

*PSE Empower Mobility incentives provide increased rebate amounts to customers with qualifying incomes. To learn more and see if you qualify, view the Income Qualification section at the bottom of this form. If qualified, complete the Income Qualification section to receive your higher rebate. If applying for installation incentives: A copy, photo, or scan of your installation receipt reflecting installation date, description of the work, price, and proof of payment must be submitted along with this rebate application.

Terms and Conditions

Applications with missing or incomplete information will not be processed. You must be a PSE electric customer and the installation address must be within PSE's electric service area. Limit one rebate per single-family household. Your right to receive this rebate will not be earned unless you satisfy each of the Conditions of Acceptance and rights cannot be assigned or transferred. PSE has made no implied or express warranties or representation with regard to these products or energy savings from their installation; this is a tarified service and is subject to change or termination without prior notice. This offer is available to PSE customers with mailing addresses in the United States only. PSE is not responsible for lost, later, damaged, illegible, misdirected or post-due applications. Excessive submissions constitute fraud and may result in federal prosecution under the U.S. mail fraud statues (Title 18, USB 1341 and 1342). All submitted materials become property of PSE and will not be returned.

Acceptance of Terms and Conditions

I have read, understood and agree to the terms and conditions of the rebate offer. I certify that the equipment has been purchased and installed at the location indicated. PSE may inspect these products upon request. I authorize PSE to release my customer account information, including my billing and energy usage information, to an independent, third-party evaluator for the purposes of evaluating this rebate program, confirming energy savings, and other quality assurance purposes. I acknowledge that by receiving the PSE EV home charger rebate that I am automatically pre-enrolled in the [PSE Flex program](#) and authorize PSE to release my customer account and purchase information to third-party vendors for the purposes of PSE Flex enrollment. I acknowledge that customers participating in the Time of Use pilot are not eligible for the PSE Flex incentive. This disclosure of your private information will comply with PSE's privacy policy and state regulation, which can be found at [PSE.com/PrivacyPolicy](#)
