¹ Qualified products lists (QPLs) can be found on [PSE.com/Foodservice](https://www.pse.com/foodservice). Lists are based on ENERGY STAR™ and/or Food Service Technology certification.

² Rebate columns are not cumulative. PSE electric customers qualify for electric rebates. PSE natural gas customers qualify for natural gas rebates.

³ DCV customers using both PSE electricity and PSE natural gas may qualify for a combined rebate.

⁴ Rebate value is dependent on PSE fuel provided at the facility. PSE electric-only and natural gas-only customers will receive a proportion of the total rebate. If PSE provides both electricity and natural gas, then the full rebate applies.
