

# Puget Sound Energy

## 2026 LVCT Rebate Program Qualified Products List\*

5/1/2026

\$75 rebate on all qualifying LVCT models

\$130 Efficiency Boost rebate for income-qualified customers

NOTE: Model numbers often contain wildcard characters, such as \*, #, and X, that are placeholders for non-energy attributes, such as color.

\*Latest additions and changes to the list are highlighted.

\*Models that have fallen off the list as of this month are crossed out.

| Brand Name      | Model Number                  | Thermostat Type            | Occupancy Sensing     | Date Certified      |
|-----------------|-------------------------------|----------------------------|-----------------------|---------------------|
| Flair           | FLAIRPUCK001 + FLAIRBRIDGE001 | LVCT + Bridge              | No                    | 9/25/2025           |
| King Electric   | K901-B                        | LVCT                       | No                    | 4/1/2021            |
| King Electric   | K901-W                        | LVCT                       | No                    | 12/15/2024          |
| King Electric   | K902-B                        | LVCT                       | No                    | 4/1/2021            |
| King Electric   | K902-W                        | LVCT                       | No                    | 12/11/2025          |
| Meross          | MTS200                        | LVCT                       | No                    | 2/26/2024           |
