How to qualify

To be eligible for PSE’s ENERGY STAR manufactured home incentives:

- Homes must be within PSE’s electric service area.
- Provide ENERGY STAR certification documentation from NW Energy Works.
- Manufactured home must be ENERGY STAR or ENERGY STAR w/ NEEM+.
- Manufactured home must have been purchased on or after January 1st, 2019. Incentive application must be received within 90 days after the sale is considered final.

How to participate

1. Fill out the rebate application form.
3. Attach a copy of the Purchase Agreement between you and the home dealer that shows the buyer and seller’s signatures and the seller’s acceptance date.
4. Mail or email completed form and document to:
   Puget Sound Energy
   Attn: ENERGY STAR MH Program
   BOT01H
   19900 North Creek Parkway
   Bothell, WA 98011
   energystarmh@pse.com

Puget Sound Energy will review your rebate application and determine if the manufactured home qualifies for the rebate.

By signing below you acknowledge the following: PSE may inspect these products upon request. PSE has made no implied or express warranties or representations with regard to the home or its energy savings.

This rebate is payable under the conditions of PSE tariffs filed with the Washington Utilities and Transportation Commission. The tariffs and funding may be subject to change.

I have read, understand, and agree to the terms and conditions presented herein and certify that the home described above has been purchased and delivered to the location indicated.
