

Safety Presentation Request

Puget Sound Energy offers free instructor-led presentations on high-voltage and natural gas safety. Complete and submit this form to PublicSafety@pse.com and a member of our team will contact you to confirm your request.

To ensure we're ready to support our customers during storm season, safety presentations and community event participation are available from April through mid-October and are paused from mid-October through March.

REQUEST TYPE Please indicate what type of presentation or community participation you're interested in.
