

TER Grants Timeline Template

The following is intended to help applicants communicate their Transportation Emission Reduction (TER) Grant project timeline. Please provide key project milestones such as application submittal, funding received, and any other important milestones that demonstrate a well-planned project, as well as the associated milestone date and any comments to describe the milestone in the columns below.

Project timeline

Please provide estimated dates for project milestones listed below, and any additional comments regarding project timeline.

Milestone	Date	Comments
<i>Award notification</i>	<i>November/ December 2025</i>	
<i>75% of award provided</i>	<i>Late 2025</i>	
<i>Project implemented and functioning</i>		
Additional comments regarding timeline:
