### PUGET SOUND ENERGY Electric Tariff G

# SCHEDULE 135 GREEN ENERGY OPTION – PURCHASE RIDER

#### AVAILABLITY:

- 1. Service under this schedule is available to all Customers as an option designed to provide Customers an opportunity to purchase qualified alternative energy resources. Service is on a continuing month to month basis unless terminated as provided herein.
- 2. Participating Customers will support the use and development of alternative energy resources or "green energy" resources which are generation facilities fueled by energy sources which include wind; solar energy; geothermal energy; landfill gas; wave or tidal action; gas produced during the treatment of wastewater; qualified hydropower; or biomass energy based on animal waste or solid organic fuels from wood, forest, or field residues or dedicated energy crops that do not include wood pieces that have been treated with chemical preservatives such as creosote, pentachlorophenol, or copper-chrome-arsenic.
- 3. Customers may participate in either the blended-renewable or the solar-only green energy options, or both.
- Availability of service under the solar-only green energy option is limited to those Customers currently being served under this Schedule as of May 1, 2025.

#### TYPE OF SERVICE:

Service under this schedule is provided through Renewable Energy Credits ("Credits") obtained by the Company. These Credits will be provided through either: (a) Resources the Company owns or contracts for; or (b) the purchase of Credits issued by a clearinghouse or other system, provided the Company is able to secure verifiable evidence that there is a qualified alternative energy resource available and that the green energy attribute of the alternative energy resource will be available to the Company for purchase by its customers.

#### **MONTHLY RATE:**

1. <u>Blended-Renewable Resource</u>

Customers may purchase an unlimited number of blocks of blended-renewable green energy at \$2.00 each. A block is equivalent to a 200 kWh purchase. The minimum monthly purchase is two blocks per month. Under this option the monthly charge for blended-renewable green energy will be the same every month.
