**SUPPLEMENTAL SCHEDULE 138
VOLUNTARY RENEWABLE NATURAL GAS SERVICE – PURCHASE RIDER**

AVAILABILITY:

1. As part of Gas Service, Supplemental Schedule 138 is designed to provide all Customers a voluntary opportunity to purchase Renewable Natural Gas as established by RCW 80.28.390, as an optional rate. Gas Service under this Schedule is provided through the purchase or generation of Renewable Natural Gas from resources the Company owns or contracts for, that is delivered to the Company's distribution system.
2. Gas Service under this Schedule will be available on December 24, 2021, to Customers taking Natural Gas Service on Schedules 23, 31, 41, 85, 86 or 87.
3. Gas Service under this Schedule provides Customers an opportunity to replace an amount of their natural gas by purchasing blocks of Renewable Natural Gas. Service is on a continuing month-to-month basis unless terminated as provided herein.
4. Participating Customers will support the use and development of renewable sources of natural gas, such as landfills, wastewater treatment plants, and dairy and farm waste.

TYPE OF SERVICE: Gas Service under this Schedule is provided through Renewable Natural Gas generated or obtained by the Company for its Customers. All Renewable Natural Gas will be verified and tracked by a third-party entity.

MONTHLY RATE: Customers may purchase a number of Renewable Natural Gas Blocks at \$5 each. One Block is equal to 2.732 therms of Renewable Natural Gas. (R)

Conventional Natural Gas Credit: \$(1.25544) per Renewable Natural Gas Block (I)

The charge for the number of blocks will be shown each month on the Customer's bill along with a credit for the Customer's conventional natural gas commodity cost, until terminated by the Customer. The monthly charge for this optional service is in addition to all other charges contained in the rate schedule under which the Customer receives natural gas service.

COST RECOVERY: In addition to the revenue the Company receives through participating Customers, it will seek to recover the initial information technology start-up costs that are currently estimated to be \$1.5 million in its next general rate case. Participating Customer revenue will only be used to fund the ongoing costs of Renewable Natural Gas purchases, administration, marketing and overheads. Because it is a self-funded, pass-through service, the Company intends to recognize the revenues and ongoing expenditures of the service in deferred balance sheet accounts with no resulting impact on the income statement. PSE must make expenditures in order to establish this Gas Service for all natural gas Customers, which means that these start-up costs will be incurred prior to the generation of revenues from Customers electing to participate in this optional service. (N)

ADJUSTMENTS: Rates in this schedule are subject to adjustment by such other schedules in this tariff as may apply.

GENERAL RULES AND REGULATIONS: Gas Service under this schedule is subject to the General Rules and Regulations contained in this tariff as they may be modified from time to time and other schedules of such tariff that may from time to time apply as they may be modified from time to time.
