SCHEDULE 74
GAS CONVERSION BURNER RENTAL SERVICE

1. AVAILABILITY; CLOSED TO NEW ACCOUNTS:

1. Throughout territory served, at the option of the Company, to only those residential Customers on Rate Schedule 23 and commercial Customers on Rate Schedules 31 or 41 whose premises are adjacent to any street, alley, or lane in which the Company's mains with adequate capacity to serve the load are located, who qualify for and have entered into an agreement with the Company for the rental of gas conversion burners owned and maintained by the Company.
2. The availability of this schedule is limited to those existing installations where the equipment is owned and maintained by the Company and was being served under this schedule as of October 9, 1993.

2. GENERAL RULES AND REGULATIONS: Service under this schedule is subject to the rules and regulations contained in the Company's tariff.

3. RATES:

1. Monthly rental charge for residential and commercial conversion burners:

Burner Input	Btu's Per Hour	Standard Models	Conservation Models	
45,000 to	400,000	\$10.16	\$15.51	(R) (R)
401,000 to	700,000	\$27.71		
701,000 to	1,300,000	\$37.58		(R)

2. The rates named herein are subject to subsequent tariff revisions and to additions as set forth in Schedule No. 1.

4. PAYMENT: The rental charge will be billed as such and is payable monthly in accordance with the Company's regular billing schedule for gas service.

SCHEDULE 74

(N)

GAS CONVERSION BURNER RENTAL SERVICE (CONTINUED)

- 5. **TRANSFER OF OWNERSHIP:** On March 31, 2020, the Company will, at Customer option, transfer ownership of any and all of PSE's equipment (gas conversion burners) associated with this specific service to the Customer. The Customer will be provided with the documents included in Attachment A of this tariff schedule which will provide details for taking ownership of the gas conversion burner or having the equipment removed. All Customers are eligible for a one-month rental charge credit in consideration for taking ownership if they execute the sale documents and take ownership of the gas conversion burner. For Customers that do not take ownership of the gas conversion burner, PSE may remove the gas conversion burner.

- 6. **DISCONTINUANCE OF SERVICE:** At 11:59 p.m. March 31, 2020, the Company will discontinue this service. All operation, maintenance, repair or replacement for the gas conversion burner will be the responsibility of the (former) Customer after that time. The Company will not perform any operation, maintenance, repair or replacement of the gas conversion burner after that time. Customers who retain possession of the gas conversion burner after March 31, 2020, for any reason, irrespective of whether ownership of the gas conversion burner is transferred to the Customer or PSE attempts removal, take the gas conversion burner "as is," with no express or implied warranties, including any specific warranty that the gas conversion burner is suitable or sufficient for heating Customer's home or that the gas conversion burner is suitable or sufficient for use in the furnace, boiler or any other equipment the gas conversion burner is installed in. Customer also accepts all liabilities related to the gas conversion burner and releases PSE from all responsibility and liability related to the gas conversion burner.

- 7. **AVAILABILITY OF SERVICE APPOINTMENTS:** The Customer may request a service appointment for conversion burners owned and maintained by the Company at no charge per existing service under this schedule. These optional service appointments will only be available on a first-come, first-served basis, and must be scheduled by March 31, 2020. These optional field service appointments will be not be available after 11:59 p.m. March 31, 2020. At that time, Customer will be solely responsible for ensuring that the gas conversion burner is inspected and maintained.
