The latest news on what's powering our neighborhoods

You might not know the area as well as you think!

Even if you've excavated an area previously, erosion, settling ground and other factors can change the depth and location of utilities over time. **ALWAYS** contact 811 before putting your shovel to the ground!

Contact 811 before you dig.

April is Safe Digging Month

Call 811 before digging so you don't hurt yourself or damage pipes and wires. Make the call two full business days (not including the day you call) before you dig so utilities can come out and mark the buried lines for free.
